The Department of Political Science offers a major leading to a Bachelor of Arts degree, three combined majors, also leading to Bachelor of Arts degrees, and two minors, one in legal studies and a second interdisciplinary minor in urban planning. Political science is the traditional undergraduate degree choice for those considering law school. It is also ideal preparation for a career in government service, including internationally-oriented paths like the foreign service, intelligence, and foreign aid/development agencies, and domestic political careers like consulting, research, polling, and policy/campaign staff.

For requirements for the M.A. degree in political science, the M.P.A degree, or the dual J.D./M.A. and J.D./M.P.A. degrees, see the *Graduate School Catalog*.
